Preamble
The National Society of Black Engineers (NSBE), as a national student and professional based organization, does hereby dedicate itself to develop intensive programs for increasing interest in technical fields such as science, engineering, and math among pre-college students. Through its NSBE Jr. chapters, NSBE aims to help pre-college students explore opportunities in the technical industry. This program also strives to encourage more African American students to attend college and pursue technical degrees. Members of this organization are encouraged to participate in programs that encourage academic excellence, leadership development, and personal growth.

Article I: Name
The name of this non-profit organization, the National Society of Black Engineers Pre-College Initiative Program shall be the National Society of Black Engineers Jr. Jones High School Chapter; hereafter referred to as the NSBE Jr.- Jones High School.

Article II: Objectives
The objectives of the NSBE Jr.- Jones High School shall be to stimulate and develop interest in engineering among secondary school students; to strive to increase the number of secondary school students who choose to major in technical fields at the undergraduate and graduate school levels; and to strive to further, within its locality, the purpose and programs of the National Society of Black Engineers.

Article III: Membership
Section 1 - Definition
Membership in a NSBE Jr. Chapter shall be defined as:
(a) Any secondary school student with an interest in pursuing a degree in engineering, engineering technology, mathematics or applied/physical science and
(b) Has received a registered membership card issued after payment of annual national membership dues.

The Mission
To increase the number of culturally responsible Black engineers who excel academically, succeed professionally and positively impact the community
The National Society of Black Engineers

NSBE Jr. Constitution

Section 2- Application
(a) Each application for membership in a NSBE Jr. Chapter must be submitted in writing and must have a parent or guardian signature.
(b) In the event that a secondary school student has reached the age of 18 or older, no parent or guardian signature is required for application.

Article IV: Chapters
NSBE Jr. Chapters shall be defined as five (5) or more members attending the same secondary school who have chartered a chapter of NSBE and have at least one advisor; or five or more members in the same locality who are directly affiliated, advised and chartered by an official chartered student or alumni chapter of the National Society of Black Engineers.
All chapters functioning under the official name of "NSBE Jr. Chapter" must have charters on file at the National Headquarters office.

Article V: Officers
